

Spring Valley-North Lake Geneva Electric Reliability Project Update

Following feedback from the public open houses held in 2013, ATC (American Transmission Co.) is finalizing two route options for a new electric transmission line between Lake Geneva and Salem, WI. Although more than a year away from submitting the regulatory application with the Public Service Commission, ATC would like to share the route options and answer questions about the project at upcoming open houses. The open houses are scheduled on the following dates and times:

March 11, 3 to 7 p.m.

Marino's Country Aire Banquet Hall
34816 Geneva Road
Burlington, Wis.

March 12, 3 to 7 p.m.

Hawk's View Golf Club
7377 Krueger Road
Lake Geneva, Wis.

Further information can be found at the ATC's website or by contacting Mary Carpenter at mcarpenter@atcllc.com or by phone at (262) 506-6922.
