

Do you have unwanted hazardous waste products stored in your home?

Common household products like lawn and garden pesticides, automotive fluids, leftover paints, and other potentially harmful chemicals can pose a significant threat to the environment if not disposed of properly.

Give them a new home!

Bring them to one of the Kenosha Municipal Household Hazardous Waste Program Collection sites. We'll recycle them or dispose of them in an environmentally safe manner.

This program, sponsored in full by Waste Management/Pheasant Run RDF since 1998, has saved Kenosha County taxpayers over \$600,000 in handling costs to date. Add to the savings with your participation this year. You must be a resident of Kenosha County to participate in this program. Just follow the simple guidelines in this brochure.

Kitchen/Bathroom

Aerosol Cans
Bug Sprays
Floor Care Products
Metal Polish
Furniture Polish
Oven Cleaners
Drain Cleaners
Bathroom Cleaners
Tile Cleansers
Disinfectants
Batteries

Garage/Workshop
