Spring Cleaning Day

## Letter from the Office

Greetings Homeowners:

What a beautiful early Spring!! We've been so fortunate to enjoy an early display of the sights, sounds and smells of this beautiful time of year and here's hoping that it continues!

TAX DAY has been pushed back to April 17<sup>th</sup>! The filing deadline is delayed because the District of Columbia will observe Emancipation Day on April 16<sup>th</sup>. Remember the interest you pay on your home loan may be tax deductible. Ask your tax preparer for more information and see if your loan qualifies.

The next Community Coffee meeting will take place at 9:30 am at the Community Center on April 4<sup>th</sup>, 2012. Both Debbie and Kendra will be on hand to answer any questions or address concerns. We hope to see you there.

The Rainbow Lake Manor Potluck Dinner is scheduled for Saturday, April 14<sup>th</sup> at 5:00 pm in the Community Center. Please contact Char Meyers at Lot 268 to reserve your seat.

The history of April Fool's Day, sometimes called All Fool's Day, is not totally clear. There really wasn't a "first

April Fool's Day" that can be pinpointed on the calendar. Some believe it sort of evolved simultaneously in several cultures at the same time, from celebrations involving the first day of spring.

The closest point in time that can be identified as the beginning of this tradition was in 1582, in France. Prior to that year, the New Year was celebrated for eight days, beginning on March 25. The celebration culminated on April 1. With the reform of the calendar under Charles IX, the Gregorian calendar was introduced, and New Year's Day was moved to January 1.

However, communications being what they were in the days when news traveled by foot, many people did not receive the news for several years. Others, the more obstinate crowd, refused to accept the new calendar and continued to celebrate the New Year on April 1. These backward folk were labeled as "fools" by the general populace. They were subject to some ridicule, and were often sent on "fools errands" or were made the butt of other practical jokes.
