Dear Property or Business Owner

The Wisconsin Department of Transportation (WisDOT) will be conducting the third (final) public involvement meeting to discuss the reconstruction of US 45, from WIS 50 to WIS 11. The project corridor is approximately 8 miles long and runs through the Village of Bristol, Town of Paris, Village of Union Grove, and Town of Yorkville.

A brief presentation about the project will be given at 4:00 pm followed by an informal open house until 6 pm. Please stop in at your convenience to view the project exhibits, meet with project staff, ask questions and provide feedback. The exhibits will show preferred roadway improvement alternatives, and the associated real estate impacts. The exhibits will also depict environmental impacts as well as the impacts to historical and archaeological properties along the project corridor.
